

Our Lady of Fatima Catholic Church

The Spirit of God descended
like a dove coming upon him
and a voice came from
the heavens, saying

This is
my beloved Son
with whom
I am
well pleased.

The Week in Saints
Jan. 13 — St. Hilary of Poitiers was not only the bishop of Poitiers, but also a doctor of the Church. The title doctor of the Church is given to individuals who have provided important contributions to theology and doctrine.

Sometimes called "the Hammer of the Arians," St. Hilary lived in the first half of the fourth century (circa 310 – 367 A.D.) Here is a quote from his writings: "The chief service I owe you, O God, is that every thought and word of mine should speak of you."

True Care Women's Resource Center is seeking candidates for the position of President/CEO

We are a pro-life, Christian medical facility whose mission is to erase the perceived need for abortion in our community through effectively serving pregnant, at-risk women, transforming their fears into confidence. Our vision is to serve women experiencing unplanned, unwanted pregnancies and to see them carry their babies to term. The President/CEO oversees the three departments of the Center: Medical, Patient Resources and Advancement. He/she is also responsible for seeing that the Center's goals, as outlined in the strategic plan, are carried out. All of this is done in conjunction with the Center's board, staff and Medical Director. This top leadership position is the public face of the organization, representing True Care to the community and to local churches, and therefore must communicate the highest levels of trust, integrity, and personal character. For the full Opportunity Profile visit www.TrueCareGiving.net and click on **Get Involved**.

BABY BOTTLE BOOMERANG

Baby bottles from the True Care Center will be available here at church for you to take home between January 23 -24 and Presidents' Day (February 14). Each bottle has a tag that lists the life-affirming services of True Care Woman's Resource Center and the costs of some of the many materials needed to keep the ministry going. Place your bottle in a prominent place in your home where you will remember to pray for the staff, volunteers and patients of the Center. Return your bottle on Presidents' Day weekend (February 14), filled with the coins, bills and checks you collect. Thank you for partnering with True Care to erase the perceived need for abortion in our community!
